PETITION.

To the Honorable the Legislative Assembly of Canada.

The petition of the Municipal Council of the Township of Waterloo,

Humbly Showeth:—

That Your Petitioners have observed with great satisfaction that a Bill to amend the Naturalization Act has been introduced into the Legislative Assembly.

Your Petitioners are of opinion that a residence of seven years in the province, in order to become a subject, is an unnecessary length of time, calculated to discourage the settlement of people of foreign birth amongst us.

Your petitioners would therefore pray that the time may be fixed at three years, in place of seven.

And Your Petitioners as in duty bound will ever pray.
